SARAH NETBURN, United States Magistrate Judge:

On March 18, 2021, the parties appeared before me for a status conference. At that time, I directed Defendants to file a letter in two weeks—or no later than April 2, 2021—indicating whether they were filing for bankruptcy and whether the individual defendants would be proceeding *pro se* or retaining new counsel. No such letter has been filed. Accordingly, Defendants are ORDERED to file the status letter no later than April 8, 2021.

SO ORDERED.

United States Magistrate Judge
